The Conference was not as largely attended
as the session here a year ago by reason of
the distance many would have to travel. The
entertainment was very fine, the whole city
giving a public reception to the Conference on
Friday evening.

Not only the Third Street M. E. Church but
the whole city and surrounding community will
regret that Rev. Harrop is to leave us. Every
effort that was possible was made to secure
his re-appointment to Maysville, but the Bishop
was immovable, claiming that a Preacher of
Rev. Harrop's ability was needed at Barbours-
ville, the seat of Union College, and a very im-
portant work at this time.

Rev. E. R. Overley assigned to the Third
Street Methodist Episcopal Church, is spoken
of as an exceptionally strong man, fine pulpit
orator and scholarly gentleman. He comes
from Germantown, where he did excellent
work, and is very much beloved by his congre-
gation.

Free Liver Remedy

It is well to stop a physical ailment
at the first signs of its approach,
and that is especially true of liver
trouble, which can eventually give
rise to so many serious complications.
Many have liver trouble and imagine
it is indigestion, and hence take the
wrong remedy.

When the liver does not store up suf-
ficient gastric juices it becomes sluggish,
and in this way disturbs the stomach and
bowels, with which it is supposed to work
in harmony. Then comes the sallow
complexion, the pimply face, the dull
pain in the forehead, the thinning of
the blood, etc. A very quick and sensible
way to stop the trouble as well as to
cure it is by the use of Dr. Caldwell's
Syrup Pepsin, which contains ingredients
especially intended to promote the ac-
tivity of the liver.

Among the many thousands who have
written the doctor about the results
achieved with his remedy, and who are
glad to make the facts public so that
others can help themselves, are Mr. Jas.
Kennedy, St. Louis, Mo.; Mrs. S. A.
La Rue of Smith's Grove, Ky., and many
others.

These, like thousands of others, started
the use of Syrup Pepsin with a sample.
If you will send your name and address
you can also obtain a free trial bottle.
This will prove to you that liver trouble
is promptly cured with this remedy, or
money will be refunded. Having tried
it you can then buy it in the regular
way of your druggist at fifty cents and
one dollar a bottle, and the latter is
sufficient for an entire family.

This remedy is a vast improvement
over cathartic tablets and salts, which
only do good for the time being. Syrup
Pepsin is permanent in its results, is
pleasant to take and does not grip. It
is especially good for all those who can-
not stand a violent purgative.

Dr. Caldwell personally will be pleased
to give you any medical advice you may
desire for yourself or family pertaining to
the stomach, liver or bowels absolutely
free of charge. Explain your case in a
letter and he will reply to you in detail.
For the free sample simply send your
name and address on a postal card or
otherwise. For either request the doctor's
address is Dr. W. B. Caldwell, 1150 Cal-
dwell building, Monticello, Ill.

MAINE ODES DEMOCRATIC

PORTLAND, MAINE, September 12th.—There
was no uncertainty in the voice with which
Meine today recorded her preference for Gov-
ernor and her attitude on the issues of the
campaign generally, the plurality given to
Frederick M. Plaisted of Augusta, Democrat,
being decisively large, while three of the four
Congressional Districts, which are ordinarily
strongly Republican, returned Democratic can-
didates. Early returns indicated that the Leg-
islature might go Democratic and elect a Dem-
ocratic successor to United States Senator Hale.

The State Senate will surely have a Dem-
ocratic majority. The House complexion is in
doubt. Returns from all but 48 of the elec-
tion Districts for the State showed a plurality
for Plaisted for Governor of 8,500.

Children's Eyes

Should be examined by the optician
who uses modern instruments and
modern methods. The trial card and
test card are worthless if the child
cannot read. Would your physician
give the child an assortment of drugs

the child liked best? Does the child
know any more about optics than he
knows about drugs?

Get your own glasses where you

Show Good Form in Yesterday's Game—Maysville Lost Out in Wind Up

The change in the personnel of the Maysville Club has worked a vast improvement in the playing and yesterday's game was one of the best and most rattling contests seen here this season.

Up to the eighth inning the game was a shut-out on both sides. Everton's pitching for Maysville was superb and all that could be desired. With the proper support in the field he would have held the Winchester's down and given them goose egg for goose egg. The first seven innings neither side scored and only one hit was made.

There were several sensational and extra good plays made by the home team, while several errors piled up in the eighth and ninth innings allowed the visitors to score 4 runs, defeating the Maysville's at the end of the game 4 to 0.

Toney, Winchester's high class pitcher, showed that he can deliver the goods, as he held the Maysville's down to one hit and no runs. Toney goes with the Chicago National League team next year and he possesses all the marks of a comer with a rep.

Following is the score by innings:
1 2 3 4 5 6 7 8 9 R. H. E.
Winchester...0 0 0 0 0 0 2 2 4
Maysville...0 0 0 0 0 0 0 0 0

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pain and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

Mr. J. E. Cridder, President of the Cridder Creamery Company, Fredonia, Ky., relates his Underfeed experience thus: "We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use nut and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Another thing we are doing, selling absolutely pure Worsted Blue and Colored Serge Suits, fall weights, at \$12 and \$15 that we honestly believe we are selling cheaper than other clothiers have to pay for them.

Another thing we are doing, showing and selling the best style Fall Suits in high class stuff that will be shown in Maysville this season. Look at them and then "compare."

And last but not least we are doing, selling more high grade Men's and Boys' Shoes than any other shoe house in the State. Every pair warranted to give reasonable satisfaction.

Miss Anna Frank returned last evening from a several months' visit with friends in Lexington.

BOSTON BLOOMER GIRLS

About twenty-five Boston beauties, blondes, brunettes and black-eyed Susans, came in over the L. and N. last night from Paris and were transferred this morning to the C. and O. and taken to Vanceburg, where they will give one of their refined and aesthetic entertainments. Hobble skirts are barred with this aggregation, and front seats reserved for bald heads.

DELICATE AND SUCCESSFUL SURGICAL OPERATION

Agnes, the little eight year-old daughter of Mr. and Mrs. John Byron of West Third street, has been deformed in her feet for the past six years, so much so that the child was unable to walk—the toes, being drawn and turned under the bottom of the foot. The parents had about despaired of the little girl ever being able to walk, and had reconciled themselves to the permanent crippled condition of their daughter. The case was given to Dr. L. Brand, not however, with expectation of a permanent cure, but hope of some kind of relief. Since being operated on and treated by Dr. Brand, little Agnes is able to walk flat-footed and as good as her sister. Those conversant with the case consider the cure a remarkable one.

HERE'S YOUR CHANCE

INDIAN PLAY

Rehearsals have begun for the presentation of an Indian opera called "Powhattan," under the auspices of Wilson Hospital. Mrs. F. H. Clarke and Mrs. R. B. Lovel are in charge, and have engaged Mr. W. A. Baker of Chicago to teach the local talent. The first rehearsal was held last night at Neptune Hall and excellent progress was made. Mr. Hall Strode of this city recommends the entertainment and says that the performances at Lexington were very fine, and says Mr. Baker is regarded as one of the best instructors in this line.

The performance will be given on Tuesday night, September 27th, at The Washington.

If ex-Governor McCREARY is attempting to "come back" with the aid of "Boss" WHALEN, he will not stay back very long.

AMERICAN society has suffered too much from "isms" of all kinds. It is the prey of "extremists." It needs doctors who will practice "prevention" more than surgeons who will amputate. The process of change should be evolutionary rather than revolutionary. Investigation must precede action, and inclusive observation goes before exclusive generalization. The future is best developed by those who remember that the present has roots in the past and branches cannot leaf and flower if the roots are cut off.—Boston Herald.

COLONEL ROOSEVELT does not object to being called "Teddy." There was a time when he thought it was not dignified to respond to that salutation, but he has learned that it is a spontaneous nickname and meant as an expression of friendliness, and now he rather enjoys it. As he motored down to the Exposition Friday probably a hundred persons shouted, "Hello, Teddy," and other expressions of a similar nature at him. He grinned at them all, and remarked: "What I like best of all is when they cry, 'Oh, you Teddy.'"—Times-Star.

LINA CAVALIERI didn't get cold until after she got Colonel BOB CHANDLER's money. That's generally the way it ends.

It is a case of "scissors" with the Tariff busters, and they will stick to what they say even when they begin to be submerged by the mud of low prices. The McKinley Tariff of twenty years ago was held responsible for the high prices of that period by people who refused to see that high prices and prosperity usually go together.

But when the drop came; when the wheels in the factories ceased to go round; when the miner stopped delving and when the transportation companies ceased transporting, and production and consumption fell off greatly, the Tariff hater gave his tongue a rest for several years.

There is nothing like an era of low prices to cork up the Tariff hater and to fill the poor-houses, and it looks as if the conditions precedent to the accomplishment of the latter result were being created.

Let us hope that the signs are deceptive and that the insane desire for low prices and calamity will not be realized.—San Francisco Chronicle.

MY DOCTOR MIGHTY FINE

Mrs. Hattie Cain of Carrsville Thinks all the More of Her Doctor Since He Advised Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes Mrs. Hattie Cain, "who advised me to take Cardui, for my troubles, is a mighty fine doctor, and I say God bless Cardui and the people who make it."

"Before I took Cardui, I suffered with female troubles for sixteen years. I would have to send for a doctor every three months, and oh! how dreadfully I suffered!"

"I would cramp and have convulsions and it looked like I would die. At last I took Cardui and oh! what a surprise! I found it was the medicine for me!"

"From the first bottle, I began to mend and now I am well, can do more work, can walk and go where I please and it don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to health. It has been doing this for over 50 years. It is not a laxative, or a heart or kidney medicine—it is a woman's medicine.

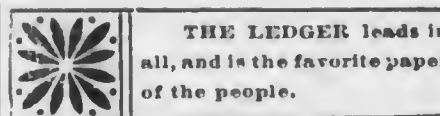

If you are a woman, try it.

ADMONISHED TO DO BETTER

George Heiser and Albert Savage, the two boys engaged in having a Fourth of July celebration Saturday night in West Second street, were taken before Judge Rice yesterday morning by Chief H. A. Ort to be dealt with in the Juvenile Court. Judge Rice, after hearing the case, admonished them of the consequence of a second appearance before His Honor, which would result in their being sent to the Reform School. He also ordered them to report to Chief Ort every week as to their conduct.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong,
Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent free on receipt of 21 one-cent stamps to cover cost of mailing only; or, in cloth binding for 31 stamps.

Gas Light Talks—No. 2.

Our Position Here.

As we told you in yesterday's Talk, we intend to make a frank statement of this company's affairs, insofar as they affect the City of Maysville and its residents.

It is going to take some time to do this, for, while there is practically no limit to the amount of advertising space we are willing to use in order to tell our story, we do not want to lose your interest, as we certainly would were we to publish all we have to say in one issue of the daily papers.

THEREFORE, WE ASK YOU TO READ THESE DAILY TALKS WITH CLOSE ATTENTION.

There are a great many things about this company that you ought to know and that we shall do our best to tell you. But, in order that our efforts shall not be in vain, you must do your part and READ THESE TALKS.

We are a public service company; that is to say, we supply the city and you with actual commodities.

These commodities are supplied under franchises which give us the right, subject to certain restrictions, to use the streets for the distribution of gas and electricity.

The grocer, the butcher and the baker have an absolute right to use the streets for the distribution of their important wares. They undoubtedly cause infinitely more damage to pavements in one year than we do in ten years, but they require no franchise.

Also, there is this difference between their business and ours:—

If they do not make money here, they can pack up their goods and go to some other city where conditions may be more favorable.

WE CANNOT DO THIS.

The very nature of our business prevents it. We are bound to rise or fall with Maysville.

You can readily see, therefore, that what benefits Maysville likewise benefits us, and, FOR OUR OWN GOOD, we are bound to work for the advancement of the city.

Maysville Gas Company

Horace I. Cochran, President.
